PARKING:

We advise you to park in the secure underground parking of The Point Mall. Ample parking space is available and this is the easiest way to get to our rooms.

WHICH LIFTS TO USE:

When using the basement parking:

You may take the corner elevators (lifts) located at each underground parking level. These are clearly marked as "Office Lifts".

Ring the bell and inform security that you are visiting Dr Zoran Aleksic's rooms on the 7th Floor. The lift will proceed to the 7th floor where you will find our practice.

When using the on street parking:

You may use the Cassel Road entrance to the Office Tower, which is located directly behind the Discovery Health Store on the corner.

NOTE:

Please do not take shopping centre lifts (this lift only goes to the 3rd floor and we are located on the 7th). Kindly follow the steps above.
